

Registered ServSafe Proctor
& Certified ServSafe Instructor

ServSafe Manager Training and Examination

Join one of our own Environmental Health Specialist/Restaurant Inspectors, Ace Else, on this one-day training and examination. Successful completion of the examination will earn the attendee a Certified Food Protection Manager (CFPM) certification from ServSafe, a National leader in food safety. Each restaurant is required to have a CFPM according to the FDA Food Code 2-102.12 (A) Certified Food Protection Manager. The test will be taken online, so please bring a laptop. If you do not have access to one, please let Ace Else know ASAP (email below).
